DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This house rises 2 1/2 stories over a bank basement, facing south. It is clad in asphalt shingles, with a standing-seam metal roof. The first floor is four bays wide, with entrances occupying the two inner bays and 2/2 sash windows in the end bays. The second story has three 2/2 windows evenly spaced across the facade. A shed-roofed porch spans the facade, with steps down to ground level at its west end. Interior chimneys appear at both gable ends.

This site is indicated on Martenet's 1862 map of Carroll County as the property of the Berwager family, while Lake, Griffing, and Stevenson's 1877 map of Manchester shows it to belong to Wm. Keeler.

SPECIFIC DATES

BUILDER/ARCHITECT

STATEMENT OF SIGNIFICANCE

This building exhibits features typical of nineteenth-century vernacular dwellings in areas of German settlement. These features include its excavated bank site and its two front doors.
